Dear Ray:

Thank you for the material you recently sent concerning the above named individual. This is just what we need to set up a confidential file and refuse registration in the future, if he should attempt it.

I would like a paper with Mr. Wright's signature, if you have this available, as this aids in the identification process.

We would also like to know if there is to be any legal action. The material you indicated does not seem to dictate any action taking place in the court system. If any is to occur, we would like to have newspaper clippings and court records that are available.

Let us know if we may help you in any other way.

Sincerely,

Paul Ernst, Director

CONF027312

Written Report: Harvey Dee Wright

Harvey has been accused and pled guilty to child molestation.

Harvey's daughter, [REDACTED], went to her religious leader and told him that her father was touching her. When the father was confronted he admitted that for a period of over two years at a rate of about three to four times a month he had been touching his daughter on her breasts and genital area. Both Harvey and [REDACTED] say that no incest took place.

Harvey was registered as a team committee member in Team 129. A letter (copied from Appendix B - Sexual Child Abuse) was delivered. The Council President and I reviewed council procedure with Harvey. Letter delivered August 29, 1988.
